Dear Mr. Kellner,

We would like to acknowledge and express our deepest gratitude for the donation of \$400.00, in support of East Central Florida Honor Flight. Your donation helps us show our appreciation for the great sacrifices our veterans have made by making a Tour of Honor possible, allowing them to visit and reflect at the memorials our country has erected in their honor.

Honor Flight is a non-profit organization created solely to honor America's veterans. Our heroes are flown to Washington, D.C. for their Tour of Honor. At this time, our honored veterans are WWII survivors along with other veterans that are terminally ill. Funds are raised to guarantee that these honored veterans receive this gift absolutely free. Guardians, air and motor coach transportation, wheel chairs and meals are all provided.

Our vision is to honor those whose past service guarantees the present we enjoy and the future of our children and grandchildren. The youngest living WWII veteran is more than 80 years old and some are over 100. They have waited over 60 years to see their memorial and time is running out.

Honor Flight operates solely on the generous support and contributions from local businesses, organizations and individuals. Thank you for helping Honor Flight turn the dream of visiting their memorials into a reality for our heroes.

Sincerely,

A handwritten signature in cursive script that reads "Suzanne Olson". The signature is written in black ink and is positioned above the printed name.
